The Town Hall is a handsome Renaissance edifice, erected in 1615—1620 by Elias Holl, which contains the Golden Hall, 118 by 62 feet high, one of the finest halls in Germany. Adjoining is the Perlachturm, a clock tower built in 1063 and reconstructed in 1615, and in front is the Fountain of Augustus, the founder of the City, which was cast by Gerhard in 1594.
